

TEST CERTIFICATE

Medcalfe Way Bridge Street Chatteris Cambridgeshire PE16 6QZ England
Telephone: 01354 695858

Page 1 of 6

Certificate Number: TCHC2118622-1 Final

Lab Ref.:

CHC2632932

ALS Czech Republic, s.r.o
Na Harfe 336/9
190 00 Praha 9
Czech Republic

Date Analysis Started: 18/03/2026
Country of Origin: Czech Republic
Date Reported: 20/03/2026

Commodity: Unspecified

Sample Details: Description: NoordCode Creatine Pro, Doplněk stravy
Order No: FP2605597/001
Received Date: 17/03/2026
Start Testing Date: 18/03/2026
Product: None
Sample Date: 03/03/2026 09:59

No residues exceeding the reporting limit were detected for substances with established MRLs.
Other substances, if detected, are listed on the table below.

Note: Default uncertainty of $\pm 50\%$ should be applied when interpreting these data, according to SANTE/11312/2021v2. Our validation data supports SANTE's prerequisite for using this default value.

20/03/26 16:15

By Hannah Garvin, Contaminants Lab Manager

For and on Behalf of ALS Laboratories (UK) Limited

Disclaimers:

MRL = Maximum Residue Level for Unspecified

Rec. = Recovery efficiency of analytical method. The results on this certificate have not been corrected for recovery efficiency unless stated.

Recoveries were performed on a selection of compounds representative of the pesticide classes analysed in this test.

LOQ = Limit of Quantification/Determination

MRL compliance note: Results are assessed against current Maximum Residue Limit (MRL) requirements applicable in Great Britain (GB) and the European Union (EU). For pesticides, GB MRLs are set/maintained under Assimilated Regulation (EC) No 396/2005 as retained and amended, while EU MRLs are established under Commission Regulation (EC) No 396/2005 and subsequent amendments.

For relevant contaminants/toxins (where regulatory limits apply), GB maximum levels are set under their respective food/feed contaminants legislation Assimilated Commission Regulation (EC) No 1831/2003 and amended equivalents. EU maximum levels are set under their respective food/feed contaminants legislation Commission Regulation (EU) 2023/915 and amended equivalents.

The testing results in this certificate relate only to the samples described above.

Unless otherwise stated, all results are expressed on an as received basis.

Statement of conformity made against the result does not take into account the uncertainty of measurement associated to the method.

Chemistry Samples will be retained for a period of 14 calendar days from the date reported unless otherwise agreed in writing with the Laboratory.

ALS Laboratories (UK) Limited - Registered in England: Company number 02391955

Certificate Number: TCHC2118622-1 Final
